Fugro has partnered with International SOS to provide you with medical and security advice and assistance before, during and after assignments overseas. Prior to travel, it is highly recommended you view our online country guide. If you need more in-depth information or have questions specific to your personal health and safety, call the International SOS assistance centre before you travel. While away from home, the services are for your everyday assistance needs as well as any emergency assistance needs including, but not limited to:

- Medical advice on vaccinations and travel safety tips before travelling overseas
- If you become unwell with a cold or experience a minor cut
- You are injured in a car accident, or have concerns for your safety

Speak to your company's programme manager today to find out more about what is available to you under the membership or have a look at Fugro InSite.

Also download the International SOS App prior to travel via http://app.internationalsos.com The App allows you to access your membership easily and read our latest travel security and medical advice wherever you are. It also provides you with a one-click dial to your nearest Assistance Centre; so you can stay in touch with us and informed on the go wherever you are.
Q. Do I have to pay to use my membership?
Yes, your OpCo will need to pay an annual fee per subscribing member. The fee is recharged by FNV on an annual basis.

Q. Do I need to activate my membership?
No, your membership is already active. Simply carry the card in your wallet at all times while travelling. Whenever you need assistance, contact one of our Assistance Centre numbers listed on the back of the card.

Q. What if I need medical advice or a referral to a doctor or dentist?
If you have any medical concerns, minor or serious, your first contact should be our Assistance Centre. Our multilingual medical staff will listen to your concerns and offer advice and if necessary, direct you to the appropriate local healthcare provider for treatment. Also, we can help you arrange an appointment at the nearest centre of medical excellence. International SOS also operates wholly owned, international standard clinics around the world. Each clinic offers primary care, diagnostic care and 24/7 emergency care. Additionally, many clinics have international-standard pharmacies, laboratory services and diagnostic services. Many are also equipped to offer X-ray and ultrasound tests, dentistry, physical therapy and counselling. Whenever possible, please call your nearest Assistance Centre before visiting an International SOS clinic. They can provide initial medical advice and inform you of clinic access requirements.

Q. What if I am hospitalised?
Call International SOS as soon as possible or have someone do so on your behalf. International SOS will immediately take steps to evaluate the care you are receiving and determine what actions must be taken to ensure your safe and speedy recovery.

Q. What if I need medicine or equipment?
If you’ve lost or run out of medication, first aid equipment or other supplies, we can help you replace it (in accordance with local and international regulations). In some cases we send fresh supplies, get you a prescription from your doctor at home, or if required arrange a prescription from a local physician.

Q. What if local medical facilities are not adequate?
If you are hospitalised in an area where adequate medical facilities are not available, International SOS will obtain approval from your company to move you to a medical facility capable of providing the required care. A physician supervises these movements, and when necessary, a medical specialist or nurse will accompany you during the transportation. A commercial flight or air ambulance will be used when required.

Q. What happens when I am released from the hospital and still need help?
When your condition is stabilised and International SOS has determined that it is medically advisable to bring you home or to a facility near your permanent residence, International SOS will again obtain approval from your company and arrange the repatriation under medical supervision.

Q. What other travel assistance services do you help members with?
International SOS assists you with replacing important travel documents (e.g. passport, credit cards). If you have a change in plans we can advise you on how to extend your visa or get further vaccinations. International SOS can refer you to a lawyer or interpreter, help to replace lost tickets, and if your company authorises, we can also provide emergency cash advances. However, for routine travel arrangement please use your company’s travel management provider.
