3. Creating a new trip

In order to create a new trip, click on the “Create New Trip” button on the horizontal navigation or at the bottom of the Profile page. Enter the Reservation ID for your trip. If you don’t have the reservation ID, enter a trip name that is familiar to you. Provide the flight, train, accommodation, transportation and trip information as required. In order to create additional segments, please click on the ‘+Add another’ button under each section. Please click on the ‘Save’ button so the information is saved in the system.

You can also enter expatriate assignments if your organization provides this capability through MyTrips. If you need to enter an Expatriate Assignment, please use Accommodation section and select ‘Expat Residence’ as your accommodation type.

If you need to delete one of the segments in your trip, you can click on the Delete link located next to that segment.
